

RANDOLPH

Plans for a Million-Dollar Hotel Set Before Business Men.

The annual meeting and banquet of the Merchants' association was held at the parish house on Wednesday evening when there were plates laid for 107 persons. Grace was said by Rev. H. L. Hinkley and following the banquet, Vice-President V. A. Grant called the meeting to order and explained that it had been the pleasure and privilege of the Merchants' association in the past to assist all worthy objects, and everything along the lines of progress. His final announcement was that the object of the meeting at this time was to organize a board of trade, with a membership of 100 names. The chairman then presented A. E. Chandler, who explained the plans and specifications of Hotel Chandler, the plans having been placed on the walls of the parish house. Much enthusiasm was exhibited in regard to the plans which Mr. Chandler revealed, and the company assembled tendered a vote of thanks to Mr. and Mrs. Chandler for their interest and assistance in this scheme. Mr. Thomas followed with remarks, endorsing the board of trade, and W. R. Chambers asked all present who desired an organization of that nature to rise, and every man stood upon his feet. Guy Lamson made a motion that the chair appoint a committee of three to nominate officers, and William S. Crane, J. W. Raymond, and W. C. Emerson were named for that purpose, and the selection was as follows: President, L. S. Brigham; vice-president, V. A. Grant; secretary, A. E. Chandler; treasurer, E. W. Tewksbury, and they were at once elected. In the absence of the secretary elected, P. C. Dodge was appointed pro tem, and the matter of by-laws was introduced, and the constitution of a similar organization read, which met with opposition. A motion passed that the chair appoint a committee of three to prepare a constitution and by-laws, and report at some future meeting. The proposed new hotel, it is said, will be the largest in the state and will be erected on what is known as the Burt place, which overlooks the town, will be built of terra cotta blocks with ornamental brick facing. The plan calls for a building five stories high, with a circular tower over 50 feet in diameter, from which will extend two main wings. The plan is for a magnificent building, with every known improvement, and when completed will cost one million dollars. The arrangements are not yet completed, but it is understood that the capital is pledged, and that about February 15 definite details will be announced, and the work begun at an early date. While it seems almost incredible that Randolph should be the possessor of a hotel of such magnificence, the citizens earnestly hope that the plans may mature and the building constructed.

Mr. and Mrs. G. P. Lamson went to New York Thursday, where Mr. Lamson will attend the New York Furniture exposition.

Miss Emma Seymour has gone to Ware, Mass., to pass some time with Mrs. Carrie Williams.

Mrs. Edwina Wheeler of Richmond was the guest of her niece, Miss Hortense Flint, over Wednesday night.

Dickinson, who has been at the home of his father for several months recovering from rheumatic trouble, has received an appointment as rural mail carrier over a route from the Wells River postoffice, and took up the work of his new position on Monday, the 15th.

John Flanders, who has been working in a bobbin shop at North Newport, N. H., during the past year, has recently accepted a position with the Orange County Bobbin corporation as splitter, and commenced work for the local company Tuesday, the 16th, when the shop started up again after a shutdown of a week while waiting to secure the services of a splitter. Mr. Flanders will move his family into the tenement house owned by the corporation near the plant.

H. E. Ransom, who resides on the east hill, had the pleasure last week of a visit from his son, Corp. Ferdinand Ransom, who has just returned from the Mexican border after doing six months' patrol duty there with Co. K, 23d New York infantry, N. G. Mr. Ransom holds a position as an electrical engineer for a New York telephone company, which position was held open for him during his absence in the South.

Mrs. Stanley C. Wilson returned with her husband to Montpelier the first of the week to attend the various functions associated with ladies' week.

At the recent annual meeting of the Congregational church society the following officers were elected: Clerk, John M.

Comstock; treasurer, Willard P. Townsend; business committee, Oliver E. Burgess, Richard H. Bacon and Edward H. Burbank; trustees for three years, Percy J. Heath; chorister, Mrs. Richard H. Bacon; executive committee with the pastor and deacons, Mrs. John M. Comstock, Mrs. Leslie H. Bohanan and Mrs. Stanley C. Wilson.

Fred A. Green, who has occupied the tenement owned by the bobbin company during the past year, has moved his family into a tenement in the Clement house on South Main street and Mr. Green will go to New Hampshire, where he will have employment.

Aaron Oviatt, an elderly man who this winter is living alone near the Lucan blacksmith shop, is ill with gangrene, which has made its appearance on one toe, and his condition is considered serious. His son, George, is in the Randolph sanatorium, where he is recovering from a broken leg.

Following the final settlement of the members of the Chelsea Bobbin & Wood Manufacturing company, after the sale of its property to the Orange County Bobbin corporation, Elgin D. Barnes became the owner of the livery barn now occupied by Ben A. Goodrich and the store building just north of the livery barn, which was occupied for many years by Col. H. O. Bixby.

Mr. and Mrs. Burt A. Eastman, who reside just over the line and near the South Washington meeting house, were recently called to Washington village to attend the funeral of the former's father, Gilbert A. Eastman.

Wesley H. Bugbee, who has been working for George M. Medcalf in the mill for several weeks, completed his services there Wednesday and is now driving team again for his son, Leon W. Bugbee.

Clarence Jones, who has been employed at White River Junction for several years, has recently been so seriously afflicted with rheumatism as to incapacitate him for labor and he is spending the winter at the home of his parents, Mr. and Mrs. Horace H. Jones, on the east hill, hoping that as the warm weather of spring approaches the rheumatic trouble will leave him and that he may recover his former health.

STOMACH UPSET?
Get at the Real Cause—Take Dr. F. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.

DRINK A GLASS OF REAL HOT WATER BEFORE BREAKFAST.

Says we will both look and feel clean, sweet and fresh and avoid illness.

Sanitary science has of late made rapid strides, with results that are of untold blessing to humanity. The latest application of its untiring research is the recommendation that it is as necessary to attend to internal sanitation of the drainage system of the human body as it is to the drains of the house.

Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous, stagnant matter.

Everyone, whether ailing, sick or well, should, each morning before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it, to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast, the phosphated hot water is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatic stiffness; others who have sallow skins, blood disorders and sickly complexions, are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.—Adv.

JA'KSON, MISS, MAN

Tells How to Cure Chronic Cough
Jackson, Miss.—"I am a carpenter, and the grip left me with a chronic cough, run-down, worn out and weak. I took all kinds of cough syrups without help. I read about Vinol and decided to try it. Before I had taken a bottle I felt better, and after taking two bottles my cough is entirely cured, and I have gained new vim and energy."—John L. Dennis.

Vinol is guaranteed for coughs, colds and bronchitis and for all weak, run-down conditions. Red Cross Pharmacy, Floyd G. Russell, Prop., Barre; also at the leading drug store in all Vermont towns.—Adv.

WATERBURY

Lyle Webster is at North Duxbury caring for Fred Funke, who was injured recently in a fall.

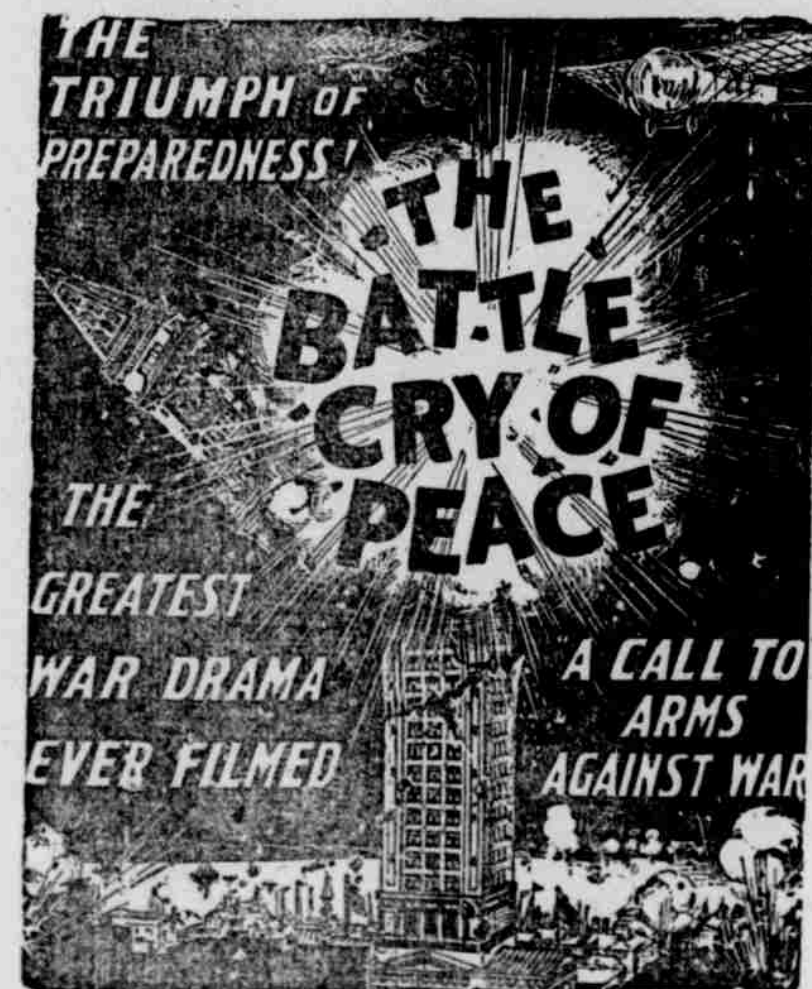

Ladies' night of the men's club of the Congregational church was observed on Wednesday evening with a good attendance. The speaker, Rev. Fraser Metzger of Randolph, was introduced by Dr. E. A. Stanley, president of the club. Mr. Metzger gave a very helpful address on "The Church and the Community," in which he brought out the ideas that the community does not exist for the church, but the church for the community, and that every church should realize that fact. Rev. and Mrs. Metzger while in town were guests of Atty. and Mrs. C. B. Adams.

County Agent F. H. Abbott was a guest of E. F. Palmer Wednesday, planning with him farm work for this year. Mr. Abbott also went to the Crockett farm.

Mrs. W. L. Boicourt went to Concord yesterday, called there by the condition of her mother.
